Weights The masses are calculated in accordance to EU regulation 1230/2012 and NCC code of practice 304.

The Mass in Running Order (MRO) comprises:

1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, entrance step, manuals etc.
2. 10kg allowance for LPG

The MRO is calculated with the fresh water tank, toilet flush tank and water heater empty. If you travel with water in the fresh water tank, toilet flush tank and the water heater the payload will reduce accordingly.

The personal effects is based on the number of berths and the length of the caravan and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

WARNING: Under no circumstances should the MTPLM be exceeded.

Bed Sizes: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m(1'4") from that stated.

Awning sizes: Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

* The dimensions given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by these dimensions.

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your caravan dealer for more information.

LED ROAD LIGHTS: Certain vehicles may require a secondary fuse box when towing models fitted with LED road lighting.

REASONS TO BUY A SWIFT CARAVAN

1

Reliable Build Quality

Exclusive to Swift, SMART Construction is the UK's most popular modern construction system. Years of research and rigorous testing went into its development.

No wonder they've given it a 10-year manufacturer bodyshell warranty

2

Protecting Good Looks

GRP outer skin, hail resistant roof and GRP front and rear gives a tougher exterior; more impact resistant than aluminium and easier to repair than ABS. Inside, cushioning tested to the extreme, bleachable carpets and optional SwiftShield fabric are all designed to keep your home looking its best.

Swift caravans are built to last

3

Touch Control

Swift Command with touchscreen control panel, user friendly design and easy to follow navigation with compatible smartphone app to manage key functions like heating.

Vehicle management at your fingertips

4

Secure and Save

With a pre-installed Swift Command Thatcham Category 6 approved pro-active tracker (subject to annual subscription) and VIN CHIP™ identification system to deter theft and aid quick recovery, you can better secure your vehicle and save with insurance discounts (Discounts depend on insurance provider).

Enjoy extra peace of mind

5

Outstanding Customer Service

Get issues resolved promptly with Connect Direct, Swift's dedicated online customer service account for new owners. Report any problems directly to Swift, and they'll work with your dealer to resolve it as quickly as possible.

With you every step of the way

6

Relaxing Space

Stay warm and sleep tight every night with Grade 3 heating and insulation along with a Duvalay Duvalite lightweight memory fibre mattress, exclusive to Swift, on all fixed beds. Relax in comfort on the premium seating – with supportive cushioning and sprung beech slats.

You're assured of a comfortable stay

7

Pioneers

Innovation is at the heart of Swift's ethos, they never stand still. This philosophy spans everything Swift builds. From aerodynamic profiling through to modern interior styling, they ensure their products look sensational and work intuitively. They are proud recipients of a Red Dot Award.

Think contemporary design and clever storage solutions

8

Europe's No.1 Brand

British owned, Swift started life as a family business in 1964 and retains that ethos today. They directly employ over 1,200 people, boosting the local economy, developing local expertise and reinforcing the power of British manufacturing.

Proud to be Yorkshire Born and Bred
